

TALKING CLIMATE, TAKING ACTION

Help us shape Darebin's new Climate Emergency Strategy, so our community can achieve zero emissions by 2030 and prepare for our changing climate.

How does climate change affect you in your everyday life?

What steps are you already taking – or do you want to take in the future – to reduce your impact and adapt to the climate crisis?

How can Council support you to take action?

Please share your thoughts by 30 September via our online survey at **yoursay.darebin.vic.gov.au/climate**
