

DRAFT DOMESTIC ANIMAL MANAGEMENT PLAN 2022-2025

About our Plan

The Plan was informed by community feedback received earlier in 2021.

It outlines how the City of Darebin will manage domestic animals like dogs and cats. The Plan specifies how Council will invest its time and resources, and how it will support the management of domestic animals, as well as the safety and wellbeing of the wider community.

Did we get it right?

Please fill out our short survey and let us know if you are satisfied with our planned animal management activities for the next 4 years.
