

DRAFT

Our Darebin Plan 2025-29

We've put together a draft plan for the next four years to help make Darebin better by 2041.

The plan is based on what almost 3,500 people told us, including local Aboriginal and Torres Strait Islander communities and a wide mix of residents.

It explains what we'll focus on, what we're planning to do, and how we'll support people's health and wellbeing. It also shows how we'll use our time, money and resources.

What's in the plan?

- It brings together our Council Plan and Public Health and Wellbeing Plan.
 - It's shaped by four pillars from the Darebin 2041 Vision:

-  **Healthy and connected community**
-  **Respect and inclusion for all**
-  **A green, liveable city**
-  **Transparent and responsible leadership**

Our six focus areas:

- 1 Health and Wellbeing**
- 2 Aboriginal Culture and Knowledge**
- 3 Equity, Diversity and Inclusion**
- 4 Climate Leadership and Response**
- 5 Vibrant Places and Local Economy**
- 6 Transparent Decision-making and Community Engagement**

We'll track progress and report back regularly.
